MATC now has three lunch opportunities for members to attend. Through the gracious research and support of members there are three geographically diverse locations available. At least in Maryland. Virginia & Delaware folks-have an idea in your area? Pass it on and we will give it a shot. Without regular monthly meetings these luncheons are a great way for the membership to stay connected. Prefer breakfast meets? A different day? Let us know.

Pot Luck Picnic @ Stephanie & Scott's Saturday, October 3, at 1pm

Stephanie & Scott have graciously stepped up to host a second event at their home this year to replace the traditional Cherry Fest @ Phyllis Cherry's cabin. It is anticipated that the gathering at Phyllis' will return next year when construction and remodeling at her cabin is completed. More specific information and guidelines as to what to bring will be provided in future newsletters. The date stays the same, just the venue has changed.

President's Message July 2026

We had a good turnout at **All Ford Nationals in Carlisle PA Jun 5-6, 2026**, although not as good as the past couple years. We missed some of our 'regulars'. We fellowshipped with LVTC, Central PA Thunderbird Club and Tom Przedwojewski from VTCL who sponsored the tent again this year. The meals shared with friends on both Friday and Saturday nights were very good with some fun conversations.

Our annual **picnic at the Denhams was June 14**, hoping it would be cooler than in the past but it wasn't. Zoeanne once again welcomed us into their home and we had great food and lots of fun and conversation. Dan was looking good and getting around well, although not always sure why we were there. Skip presented trivia prizes as has become tradition at our gatherings. If you are a trivia winner, you better show up!

The weather was outrageously hot for the **4th of July parades** and our participation was down because of that. We only had 4 cars in the Towson parade, thanks to Anne Collins, Doug Read, Skip Panowitz and Cathy. Once again we carried veterans and their names were on signs on our cars, thanks to Anne, and were called out at the reviewing stands. Due to the heat we decided not to participate in the Bel Air parade this year. Skip has photos in this newsletter.

We hope to get the birds out for an **ice cream run** sometime in August. We'll keep you posted via newsletter when we come up with something.

Also on August 22 our friends at **Central PA Thunderbird Club are having a car show** in Carlisle PA. Looks like food, music, fun and prizes. Let's get some folks together and support our fellow Tbird friends. See flyer elsewhere in the newsletter.

Thanks,

Cathy & Steve

Membership News:

Please be sure to use the recruitment cards and/or attached flyer when you see prospective members and their cars. Need an application for MATC, ITC or VTCI? Contact Cathy, Steve, Mike or Skip

- Lots of recent activity at the Hill's:
 - First, treasurer Ron had cataract surgery on both eyes over a two week period. The results have been successful. Ron says he enjoys his new view on life. On the other hand, Jean wonders when she can expect to stop hearing him singing "I can see clearly now..." all day long.
 - Speaking of Jean, she also had a surgical experience in preparation for her future cataract surgery.
- Congratulations to our favorite boy racer Tom Young who recently won First Place in his class at the Mid-Atlantic Stock/Super Stock Series competition held in Hagerstown. There were 40 cars running that day. As most of you know Tom restored the 1975 Dodge Coronet that his late brother purchased exclusively to race. Tom has restored and campaigned it in his brother's memory. And it was raced very successfully. Tom has taken this labor of brotherly love to numerous awards and recognition including winning its class in AACA competition. See photos of Tom and the car elsewhere in the newsletter.
- Betty Marcellino is recovering from a recent fall. We wish her the best for her continuing recovery.
- Sunshine lady Barb Panowitz continues to work on getting her mobility and balance back on track since her falls last year.
- Dwight Dixon is recovering from a second cancer treatment series.
- Please keep our members dealing with a variety of medical issues in your thoughts and prayers:
Dan Denham, Mike Melnyk.

MATC members are reminded and encouraged to provide Barb with any important information regarding health issues, special occasions, awards, etc., for appropriate recognition. Barb's contact info: 443-504-5542 (phone or text); ladyofthelake21014@yahoo.com.

Please keep our convalescing members in your thoughts and prayers as they deal with their medical issues.

The most recent MATC Membership Roster was recently distributed in a separate email. It traditionally is distributed twice per year – in April after all renewals are confirmed and in November with any updates. It is updated on an ongoing basis. Can't find yours? Retro Thunderbird Headlight Bulb Replacement

One of the complaints often heard from Retro owners is how weak the illumination is from the headlights on their cars. Our member Tom Young has resolved this problem by replacing the factory bulbs with state of art LED versions. The cost of doing this is about \$185 for the headlights and running lights. Tom has graciously agreed to assist all members interested in making the change. We are considering a tech session depending on how many folks are interested.

The procedure is relatively simple. It only requires removing both front fenders, hood, valance panel, grille radiator and fan. **JUST KIDDING!!** Tom says all that is needed equipment wise is a screwdriver and gloves.

I am going to contact the seller when I see what interest there is to see if we can get a break on the price. Or at least save on shipping. The cost for the headlight bulbs is \$126.40, for the running light bulbs \$28.78. Tom says you don't need to do both, but he thought the running light upgrade made a bigger difference than the headlights.

Please let me know your interest by July 15th if possible.

Ford Abandoned One Thunderbird Trademark Two Years Ago

By **Brett Foote**

June 3, 2026 7:09 am

Back in January 2021, Ford filed to trademark "Thunderbird" with the United States Patent and Trademark Office under the goods and services category of "motor vehicles, namely, concept motor vehicles; four-wheeled motor vehicles." This conjured up plenty of speculation that the Ford Thunderbird was set to make a return as a result, and as *Ford Authority* previously reported, that nameplate was being considered for a performance-oriented vehicle - and perhaps even a new halo car.

Now, however, we're learning that this very same Ford Thunderbird trademark filing was abandoned by the automaker on September 16th, 2024, "because no Statement of Use or Extension Request timely filed after Notice of Allowance was issued," according to the latest update. This is just one of several trademarks Ford has abandoned over the years, a common practice when companies opt not to move forward without using those pieces of intellectual property.

Ad ends in 11

Mark: THUNDERBIRD		THUNDERBIRD	
US Serial Number: 90463054		Application Filing Date: Jan. 13, 2021	
Register: Principal			
Mark Type: Trademark			
TM5 Common Status Descriptor:		DEAD/APPLICATION/Refused/Dismissed or Invalidated	
		This trademark application was refused, dismissed, or invalidated by the Office and this application is no longer active.	
Status:	Abandoned because no Statement of Use or Extension Request timely filed after Notice of Allowance was issued. To view all documents in this file, click on the Trademark Document Retrieval link at the top of this page.		
Status Date:	Sep. 16, 2024		
Publication Date:	Jun. 15, 2021	Notice of Allowance Date: Aug. 10, 2021	
Date Abandoned:	Sep. 16, 2024		

It is worth noting that Ford still holds a number of other Thunderbird trademarks for things like parts and merchandise, so it hasn't completely given up on that historic name. However, this abandonment does seem to signal that The Blue Oval has opted not to use the Ford Thunderbird name on a future vehicle, which would make sense given the company's preference to conjure up new nameplates these days, rather than revive old ones.

Regardless, this isn't exactly great news for fans of the T-Bird hoping that it would make a comeback in the future. It's one that has a long history in the automotive realm, living from the 1955 to 2005 model years, with a hiatus from 1998 to 2001. Those 11 generations are book-ended by two-seat convertible sports cars, with various other models sprinkled in between - including a four-seat hardtop coupe, a four-seat convertible, a five-seat convertible and hardtop, a four-door hardtop sedan, a six-passenger hardtop coupe, and a five-passenger pillared coupe.

CLASSIFIEDS

THUNDERBIRD PROMOTIONAL MODEL CARS

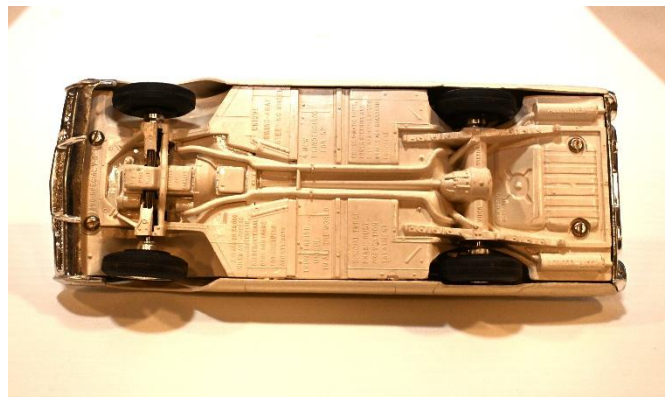

Through the very gracious generosity of club member Dave Shelton, we have four (now three-thank you Scott!) Ford Thunderbird promotional model cars available for purchase by club members. If you are not familiar with “promos”, they were produced by various model manufacturers for the car manufacturers from the late 1940s through 2017. They were most available and popular in the 1950s and 1960s. They are detailed, accurate models of the cars they represent. Car dealers gave them to customers who bought the real cars and they sold the models as well. The car manufacturers distributed them for promotional purposes, hence their name. They were also sold at various retail outlets, but these versions are slightly different in that they have flywheel motors to propel them. Although these versions were unfortunately often purchased as toys, they are still truly collector items. The cars MATC has available are true dealer promos, also referred to as coasters as they do not have the flywheel motors (with one exception, the 1957, which was only available in the version offered). The true dealer promos tend to be slightly more valuable, but condition, color, etc., is always the most important factor.

It has been decided the the funds from the sale of these cars would be donated to our charitable partner **“Custom & Classic Car Education Foundation”**(savethehobby.org). Checks for the purchase of the model cars should be made payable to the CCCEF. So you not only get a great collectible, but you support a great cause as well. The cars being offered are in very good to excellent condition. The price of the cars is **\$45** each. I will have them available at the Christmas Dinner as well as future MATC events.

1963 Thunderbird Hardtop Color is Fieldstone Tan

1962 Hardtop-Color is Sahara Rose: Note undercarriage detail & sales info on dealer version

1957 – Color is Flame Red

Why not consider purchasing one of these great, collectible promotional model cars as your charitable partner donation? You get the deduction for your taxes as well as a great collectible.

Thunderbirds For Sale

As most of you know, long time MATC member Joe Zentgraf passed on last year. His two Thunderbirds are now for sale. The details and photos are listed below.
